The culture of CSC is one of **joy and acceptance**, and our top priority is promoting the **physical, mental, emotional, and social well-being** of every camper and staff.

CSC is a completely **phone-free experience**. We believe this allows campers to fully focus on **having fun, building relationships, and growing their independence**. We encourage letter/postcard writing as a way to stay in touch!

## Additional Support

In addition to a completely free camp experience, we provide:

- **Free centralized bus routes** to bring campers to & from camp each session
- **Bedding, towels, and a stuffed animal** for every camper to help them feel safe, included, and prepared. Campers can take everything home with them to use throughout the rest of the year.

- **Three nutritious meals and a snack everyday** so campers stay well-fed and energized while at camp. All campers also receive a **CSC water bottle** that they can take home at the end of each session.
